In Re: **Docket Number 2005-87-W/S**

Dear Sirs:

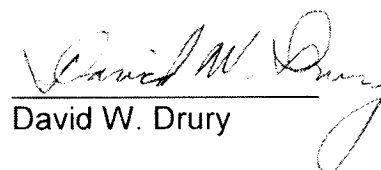

The rate increase proposed by CUC, Inc., (referenced above) appears to represent a substantial increase in water and sewer bills for residents and/or property owners of Callawassie and Spring Islands, please see attached chart, and applies solely to those customers.

Company facilities and the customers impacted by this proposal are concentrated in Beaufort County. Logic would indicate a hearing on this matter should also be held in Beaufort County, and I hereby request one.

I may also wish to comment, present evidence, or testify at the hearing, though I am currently undecided.

Thank you for your consideration of this request.

Sincerely,

David W. Drury
